

To legal guardians with children/students in Luleå Municipality's preschools and schools

August 15th 2016 secure login (e-legitimation) will be introduced for legal guardians using edWise (the digital school administration and teaching website).

The introduction will apply if you already have an account in edWise and if you are a new applicant applying for an account. From August 15th only secure logins (e-legitimation) will be possible. If you do not currently have a secure login (e-legitimation) go to www.lulea.se/larplattform for guidance in how you can acquire a secure login (e-legitimation).

In edWise for grade school, high school and special education students you can:

- Follow your child's development
- See your child's school schedule
- Notify if your child will be absent from school
- Communicate with the schools teachers
- See your child's grades and comments

In edWise for preschool and daycare you can:

- Change your income information and your child's schedule

Later in the fall more e-services will be available that will simplify and speed-up the handling of childcare administration.

Why is secure login (e-legitimation) being introduced?

- To increase the security of your child's information
- Provide better service to you as legal guardian, by example, allowing you to sign documents electronically.

What is secure login (e-legitimation)?

With secure login you can legitimize (identify) yourself on the internet in a secure form that in turn allows you to sign documents online. Secure login (e-legitimation) can be in the form of a file on a harddrive, a magnetic card or by Mobile BankID. At some banks secure login is simply called, Mobile BankID.

If you cannot get a secure login (e-legitimation), if, for example, you do not have a Swedish personal number, contact your child's daycare director or school principal for more information.

Go to www.lulea.se/larplattform for more information about how you login to the school platform, edWise, how you apply for secure login (e-legitimation) and much more

Make www.lulea.se/larplattform a bookmark/favorite in your web browser. You as legal guardian use the login link, "Vårdnadshavare", at www.lulea.se/larplattform to gain access to edWise.
